[WCOG:2022 Looking Forward to Welcoming You to Dubai](#)

Joost PH Drenth, MD, PhD

"WCOG's main events will debut on December 12 starting with attractive sunrise sessions discussing crucial topics, such as hepatitis D and women's health in IBD. These exciting sessions are spearheaded by experts in the field and designed to achieve maximal interaction with the participants. Another can't miss event will be a series of pro-con debates on highly contentious topics, where either side of the story can be debated.....[READ MORE](#)"

[At the Frontiers of Bariatric & Metabolic Endoscopy: A Conversation with Dr. Roberto Simons-Linares, Director of Bariatric Endoscopy at the Cleveland Clinic, Cleveland, Ohio, USA and Dr. Christopher Thompson, Director of Endoscopy at Brigham and Women's Hospital, Boston, Massachusetts, USA](#)

Vivek Kaul, MD,

"Obesity along with its associated comorbidities has emerged as a worldwide public health problem. Medical therapy endoscopic therapy and surgical interventions for obesity have evolved rapidly over the last several years.....[READ MORE](#)"

Bariatric and Metabolic Endoscopy – The Future is Now!

Roberto Simons-Linares, MD, MSc
Christopher C. Thompson, MD, MSc, AGAF, FACG, FASGE, FJGS

"Bariatric and metabolic endoscopy is a safe, minimally invasive and effective treatment option for obesity. It has the potential to increase access for treating obesity, it is cost effective, potentially repeatable, reversible, and perhaps a more suitable option for a chronic relapsing disease such as obesity.....[READ MORE](#)"

TTT's Triumphant Return

Kelly W. Burak, MD, FRCPC, MSc (Epid)

"Work began to relaunch the traditional TTT and to try something new -an abbreviated course focused solely on medical education and improving your skills as a teacher.....[READ MORE](#)"
