## Join Train the Trainers in Kolkata, India!

**Don't Miss This Great Educational Opportunity**

A promotional poster for the 'Train the Trainers' workshop in Kolkata, India, 2024. The poster features a large QR code on the left, the title 'Train the Trainers' in large blue letters, the location 'Kolkata, India 2024', and the call to action 'Call for Nominations'. It also includes the text 'In partnership with: The Indian Society of Gastroenterology (ISG)', course dates '8-10 February 2024', and application deadline '15 September 2023'. A large photograph of the Victoria Memorial Hall in Kolkata is at the bottom, with the WGO logo overlaid in the top right corner.

**Train the Trainers**  
Kolkata, India 2024      Call for Nominations

In partnership with:  
The Indian Society of Gastroenterology (ISG)

Course Dates: 8-10 February 2024  
Application Deadline: 15 September 2023

A photograph of the Victoria Memorial Hall in Kolkata, showing its grand neoclassical architecture reflected in a large pool of water in front of it, surrounded by greenery.

The World Gastroenterology Organisation (WGO) logo, featuring a circular design with the acronym 'WGO' in the center, surrounded by the text 'WORLD GASTROENTEROLOGY ORGANISATION' and 'EST. 1958'.

Celebrating over 20 years of the WGO's Train the Trainers (TTT) program, TTT continues to expand the educational and training skills of educators in gastroenterology, hepatology, endoscopy, and GI surgery to current educational techniques and philosophies.

**WGO Member Societies are asked to nominate two physicians who are leaders or up-and-coming leaders in their field (Gastroenterology, Endoscopy, Hepatology or GI Surgery).**

For further details on these workshops, please visit our TTT [Upcoming Workshop web page](#).

## ABOUT WGO

*Established in 1958, WGO is a global federation of 119 gastroenterology and hepatology member societies and four regional associations representing over 60,000 individual members worldwide. WGO focuses on improving education and training standards in gastroenterology, hepatology, endoscopy and other related disciplines globally.*
