Would you like to give us your feedback on this issue of e-WGN or suggest topics for future issues? Please contact us at info@worldgastroenterology.org.

WGO offers our readers this electronic publication which will save over six metric tonnes of paper per issue, equivalent to 144 trees. Decreasing our use of paper will help to slow climate change, conserve natural habitats, contribute to cleaner air and ultimately improve the quality of health and life for all. Thank you for your support of this important effort.
