Buckle up.

Virtual Summer School: 9 days to go!

When a great opportunity comes around, you've got to grab onto it.
(Or, in this case, [register for it!](#))

Join the **Virtual Summer School on Friday, June 4** to reconnect with international GI peers and experts, earn 5 CME credits, and benefit from the following **case-based sessions!**

1. There will be blood: Tales of bleeding varices
2. To swallow, or not to swallow, that is the question
3. Focal liver lesions: Now you see me?
4. Constipation: How to get from "I can't get no satisfaction" to "Hallelujah"

Virtual Summer School: Even more to gain!

In addition to having fantastic scientific takeaways, during the Virtual Summer School you'll be able to join our **Expert Encore** and have the chance to **win a free [PGT Virtual 2021 registration!](#)**

The Expert Encore will provide you with a unique opportunity to interact with renowned experts and have an in-depth conversation with the faculty for 60 minutes. More details on the free PGT registration competition will be available during the Virtual Summer School event.
