## Get tips about how to publish

In the Young GI Angle article **How to publish  
in high-impact journals as young fellows?**  
authors Ting-Ting Chan, Louis H. S. Lau  
and Rashid N. Lui share their thoughts on  
how to get listed as an author or co-author  
in a published study.

Wiley also offers many useful resources,  
e.g. on **how to prepare your article** and **how  
to submit and navigate peer review**.

## Live through a crisis

A crisis can last some time and requires  
patience and persistence. Stuck in the  
middle of it, it can be extremely hard to get  
on with your clinical and scientific career.

In our latest **Young GI Angle article**,  
Henriette Heinrich and Gianluca Ianiro give  
tips on how to manage difficult situations in  
your career and how to turn them into an  
opportunity for your personal and  
professional life.
