## Latest research freely available to read, download and share

Research accessibility drives innovation, more research, and allows healthcare specialists to make more informed decisions. As a Gold Open Access journal, **UEG Journal** papers are freely and permanently available online upon publication, increasing visibility and allowing a faster impact of published research, improving also public engagement.

As part of this model, all submissions to UEG Journal that result in an acceptance are subject to an Article Publication Charge (APC). However, to improve the accessibility and visibility of research, a number of fee exemptions exist. Many European universities and hospitals are members of National Alliances and **cover APCs for authors that publish in UEG Journal.**

Find out if you or one of your co-authors are eligible for a waiver or discount and submit your paper to UEG Journal!
