

We support your research career

We award € 100,000 each year for excellence in basic science, translational or clinical research.

By donating this prize we support a future scientific research project from early stage to successful conclusion. The prize addresses well-established researchers at the height of their active career, whose science has had or will have crucial impact on digestive health.

The UEG Research Prize will be awarded during the Opening Session of UEG Week Amsterdam 2020 on Monday, October 12, 2020 and the winning project will be presented on this occasion.

We are looking forward to receiving your application! Apply by March 31, 2020.

Biomed Alliance and UEG meet EU Commissioner for Research & Innovation

UEG Treasurer Berthold Koletzko, along with Biomed Alliance leadership, met with Commissioner Mariya Gabriel to discuss how to improve biomedical research in Europe. The meeting was a good opportunity to discuss the value of biomedical research in our society and to call for strong support for collaborative and multidisciplinary health research initiatives across Horizon Europe. The BioMed Alliance leadership stressed the medical scientific community commitment to advance biomedical research in Europe and to foster the cooperation with the European Commission.

You want to apply for a European Grant?

Step 1: Check the European Commission website

Go to the official EU platform Funding & tender opportunities to search calls for proposals and look for partners and register as an expert.

Step 2: Apply for a UEG H2020 Support Grant!

Our mission is to facilitate research in digestive health. Applying for EU research funding is a time-consuming and costly process. UEG is here to assist your application process. We invest up to max. € 10,000 per consortium.
