

## EU funding opportunities and strategy in digestive health: What is at stake?

You are planning to or already applying to Horizon 2020 calls? You think that UEG should push for more EU research in digestive health?

Do not miss our [Horizon 2020 Session at UEG Week 2019](#) in Barcelona on Monday, October 21, 2019 at 16:00! You will learn about European success stories, strategies for more funding in digestive health research, and many more.

[Find out more](#)

## Did you know that the next Horizon 2020 calls will open soon? UEG supports your application in many ways!

The Horizon 2020 programme opens yearly calls in the field of medical research. Horizon 2020 will allocate 13,2 billion € to Research & Innovation projects in 2020. Check out the [European Commission website](#) regularly to know when the calls will open! Filter by Programme part (e.g. "Health, demographic change and well-being")

We support your application for research funding in Horizon 2020!

Want to apply but are not sure how?

- Register to the [European Commission's Infoday](#) in Brussels on July 3
- [UEG supports your Horizon 2020 application with up to € 10,000 per consortium](#)
- The [2019 ERC Advanced Grant application](#) is also open until August 29
