

## Horizon Europe: How to best prepare for the opening of calls

As you know, taking the correct preparatory steps is essential to succeeding in any venture. Here are the steps we recommend for the opening of Horizon Europe's Health calls.

1. Read [UEG Journal](#) article "[Horizon Europe, the new programme for research & innovation: Which opportunities for GI research in the years to come?](#)".
2. Learn the keys to the success from expert evaluators and experienced grant applicants by watching the recording of our May 6 webinar, "[Horizon Europe: Tools you need to succeed](#)".
3. Explore our presentations: European Research Council grants, Marie-Slodowska-Curie Fellowship, collaborative calls on Health, and further interesting presentations [available via our Researcher Support page](#).

**Important news just for you!**

Apply by June 30 for our **Virtual Mentoring: How to get involved with translational research!** On July 8, unlock the opportunity to have personal exchange in a small group of both senior experts and junior colleagues.

[Apply now](#)

**Rising Star Awards** are given each year to the most promising, emerging scientists. Rising Star Awards 2022 are now open for application until September 3.
