

Our platform is your playground.

Check out our latest video to familiarise yourself with our UEG Week and Postgraduate Teaching Virtual 2021 platform.

In just a few months, this will be the platform providing you live benefits and a unique, united, educational, and networking experience! **This October we are thrilled to reconnect you with your peers and colleagues from across the globe.**

Take part in all the action and science by utilising our new combined rate to attend both **UEG Week Virtual (October 3 – 5, 2021)** and **PGT Virtual (October 22 – 23, 2021)** live. We also offer reduced rates for fellows in training and undergraduate students!

Your next level programme

UEG Week Virtual 2021 arrives October 3 – 5 with its programme featured across many virtual lecture halls and in our Vienna-based TV Studio. Each location hosts scientific highlights in interactive ways and in almost every session, delegates can interact in real-time via our Q&A tool!

Keep an eye out for your abstract acceptance email!

Abstract acceptance/rejection notifications will be sent out shortly! Once you've been notified, share the good news on social media with your family, friends, colleagues and peers by posting these images we've created for both abstract acceptance and presentation confirmations!

VIRTUAL 2021

myUEG Community programme

Engage as a participant & spice up the conversation

October 3–5, 2021

Every discussion needs spice. That's where you come in!

What's a five-star chef without their sous-chef? What's the myUEG Community programme without engaged participants? We need you there live, actively seasoning and impacting the entire discussion!

Join us in real-time in the myUEG Community Programme Hall to influence each topic and take the conversation from a gentle simmer to a strong boil! Utilise our Q&A, Word Cloud and multiple-choice question tools to ignite the conversation and turn the temperature up a notch.

UEG Journal – even more impactful

UEG Journal is proud to announce its new **Impact Factor of 4.623!**

“The higher impact factor is proof that the message of the UEG Journal is increasingly heard. I am thankful to the junior and senior Editors for their effort to make the UEG Journal better, every day.” - Joost PH Drenth, Editor-in-Chief UEG Journal

Fresh formats at UEG Week - Introducing our Expert Encore

We are bringing you even more ways to engage! Scheduled in the last time slot on both Sunday and Monday, the new **Expert Encore Sessions** offer additional discussion time with the faculty!

Have some pressing questions? Stay on after the regular presentation and Q&A time

for an additional 30min to hear what the experts have to say.
