No 1: Expand your GI knowledge and apply to the Basic Science Course

We are very proud to offer you a new and improved Basic Science Course concept: **3 topics – 3 centres – 3 cities**

Choose one of the following three Basic Science Courses in 2020 best suited to your background and research interest:

- Gut microbiota: Relevance, analysis, modulation | June 10-12, 2020, Rome (Italy)

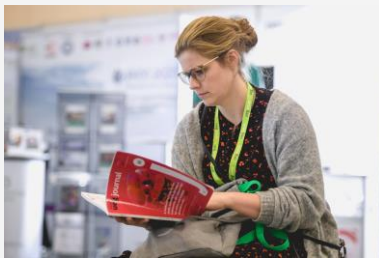

- Basic & translational research in motility & neurogastroenterology | June 24-26, 2020, Leuven (Belgium)
- Hot topics in experimental GI cancer | July 9-11, 2020, Munich (Germany)

Apply by March 6, 2020!

No 2: Submit your paper to UEG Journal

UEG Journal has been accepted by National Library of Medicine (NLM) for immediate indexation into Medline. An excellent reason to consider submitting your work! Editor-in-Chief Joost PH Drenth and his team are looking for papers for the upcoming issues of UEG Journal, which focuses on translational as well as clinical studies from all fields of gastroenterology.

No 3: Start your research career and come to the Young Investigators Meeting

Get the best out of your research! The Young Investigators Meeting will help you in the fields of research, statistics and the writing of papers:

April 24-26, 2020 at the House of European Gastroenterology in Vienna, Austria

Apply now!

No 4: Push your career and dive into the UEG Talent Pool

Apply to participate actively in our programmes and tell us about your interests and experiences.

The Young Talent Group for example looks for 3 young and proactive volunteers that are motivated to further strengthen the voice of young gastroenterologists in UEG. Apply by March 20, 2020!
