The rapid spread of the novel Coronavirus Disease 2019 (COVID-19) poses unprecedented challenges. With the help of experts in our community [we have collected relevant links to official publications and scientific articles on this global pandemic.](#)

[We invite abstract authors to submit their research on COVID-19 and GI for UEG Week 2020!](#) Please note that in reaction to changed personal and professional priorities of our research community, the deadline for abstract submission has been extended! The exact date will be announced soon!

Our social media ambassadors regularly share up-to-date, approved and relevant information for our digestive health community via Twitter. [Follow them via #UEGambassador!](#)
