UEG Week Barcelona 2019 was record-breaking

For the first time, over 4,000 abstracts were submitted to UEG Week. Beyond that it was also the first time in our history that we had more than 4,000 attendees at the Postgraduate Teaching Programme, which was truly a record-breaking success. And again over 4,000 tuned in live to stream UEG Week from home! Check out the brand-new [UEG Week Congress Review](#) in practical e-paper format featuring scientific programme highlights, interviews with UEG Week Award Winners and much more.
