September 2019

Top speakers await you at the Opening Session in Barcelona

Enjoy three and a half hours of the very best gastroenterology research at the Opening Session of UEG Week Barcelona 2019. **Research Prize Awardee Silvio Danese** will present his outstanding project “The gut virome as a trigger for IBD: from metagenomics to pathogenesis”. **Top Abstract Prize Awardees** will reveal the most highly ranked findings in 2019.

Be there when **Lifetime Achievement Awardee Peter Malfertheiner** will be honoured for his fundamental contributions to gastroenterology. Cutting edge research on what's new in gastroenterology, endoscopy and hepatology in 2019 will round off this year's UEG Week Opening.
