

**Submit your abstract
February 28 – April 29**

**30th United European
Gastroenterology Week**

ueg.eu/week

We want great science. We want your abstract.

Your time is now! Step onto our global stage and let your science speak for itself by submitting your abstract to UEG Week **by April 29, 2022**. We, as well as the tens of thousands within our **myUEG Community** are eagerly waiting to see what you've discovered.

UEG prides itself on being a multidisciplinary, multinational organisation that brings great gastroenterology together. Your abstracts are what help us continue to achieve this goal.

Here's why you should want to submit your abstract:

UEG Week 2022 (October 8 – 11, 2022) truly is the platform for you to **share your**

What's the benefit for you? Well, there are several.

Having your abstract selected means vital recognition and long-term visibility.

science with the worldwide GI community.

As the largest scientific medical congress in Europe, submission to UEG Week is a guaranteed way to increase the degree to which your science is seen. 2022 is also UEG's first-ever hybrid congress, where we will deliver top science as well as increased exposure.

[Calls & guidelines](#)

Once selected, your scientific work –

- Has the opportunity to reach a massive international audience.
- Is published in our highly renowned [UEG Journal](#).
- Is included in the universal online source for digestive health, the [UEG Library](#).
- Provides the opportunity for you to engage in scientific exchange and gain insightful feedback.
- May qualify for the [National Scholar Award](#), [Travel grants](#) or the [Top Abstract Prize](#).
